

EMS Education

EMS Education Market

If your organization is looking to promote its products and services to EMS educators and students, NAEMT has the market cornered. On average, NAEMT educates nearly 70,000 students per year. We work with over 2,500 unique training course sites and 12,500 EMS educators to provide our world-renowned continuing education courses.

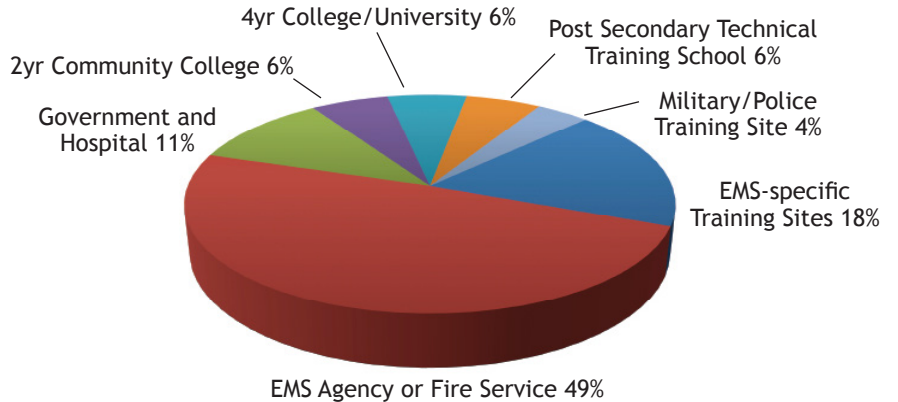

NAEMT continuing education courses teach hands-on skills.

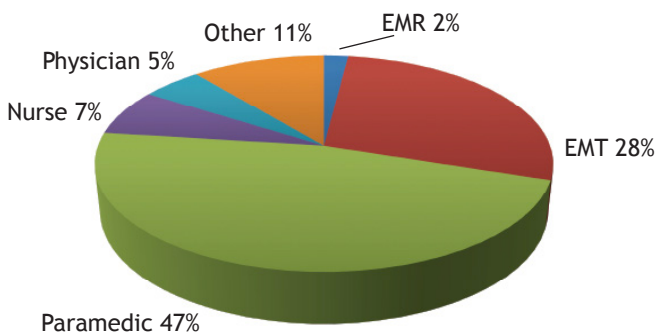

NAEMT provides the BEST in EMS continuing education: cutting-edge courses solidly built on the most current evidence-based research providing information on best practices in assessment, treatment and techniques. All NAEMT courses are accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) and recognized by the National Registry of EMTs (NREMT).

NAEMT continuing education courses touch the world, with course offerings in more than 50 countries. Please contact us for further information about countries served.
