Dear Steve:

I am pleased to inform you that the NAEMT Board of Directors voted to endorse the passage of HR 3200 Assisting Veterans with Military Emergency Training to Become State Licensed or Certified Emergency Medical Technicians (EMTs).

We believe this legislation will be of great benefit to our veterans and our nation's EMS system. Please let us know if there is anything else our association can do to help secure passage of this bill.

Best regards,

Patrick F. Moore
President, NAEMT
