NAEMT Operational Policy
Establishment of Affiliate Relationships

The Board of Directors may establish a formal relationship with another EMS association in order to further the purpose and objectives of NAEMT and address the key issues impacting EMS providers.

Such affiliate relationships shall be established within the guidelines listed below. Each affiliated association shall:

1. Represent and provide services to EMS providers*.
2. Maintain a good reputation within the EMS community and among the public at large.
3. Have a mission that is consistent with the purpose and objectives of NAEMT.
4. Have a seat as a representative on the NAEMT Affiliate Advisory Council. Representative shall be an active member of NAEMT.
5. Agree to send its representative to the NAEMT annual meeting at no cost to NAEMT.
6. Actively offer NAEMT membership to its members.
7. Promote NAEMT membership at conferences or meetings at which it is represented.
8. Regularly provide information to NAEMT on the major activities it is undertaking and on issues of concern to the EMS community in the area in which it operates.
9. Receive from NAEMT regular updates on the major activities being undertaken by NAEMT and on issues of concern to the EMS community nation-wide, and disseminate these updates to its members.
10. Receive regular updates from NAEMT on pending federal legislation impacting EMS providers and NAEMT’s position on such legislation, and disseminate these updates to its members.
11. Be listed as an affiliate of NAEMT in NAEMT publications and on its website with a hyperlink to its website.
12. Display its affiliation with NAEMT in its publications and on its website with a hyperlink to NAEMT’s website.
13. Agree to the terms set forth in the Affiliation Agreement with NAEMT and be recognized as an affiliate of NAEMT upon adoption of this Agreement.

*To include individual, or corporate EMS systems or services.
