## New Projects

new

- Report on state of EMS Preparedness
- Follow-up study on MIH-CP programs
- All Hazards Disaster Response course
- Advanced Geriatric Education for EMS course
- Medical Life Support course for EMTs
- Critical Care Recertification Prep course
- Course to address Psychological Trauma

- To bring the kind of change we want in EMS, we must be willing to continually change and adapt to meet the needs of our profession.
- **Together**, we **CAN** and **WILL** bring the changes **WE WANT** to EMS!

### NATIONAL ASSOCIATION OF EMERGENCY MEDICAL TECHNICIANS CORPORATE PARTNER PROGRAM

Proud partner of  
**NAEMT**  
Serving our nation's EMS practitioners

#### Partner With A Recognized EMS Leader

As the leading international organization in emergency and public safety, NAEMT's mission is to advance and improve the practice of EMS and to support the education and training of the nation's EMS practitioners. We are proud to partner with the nation's leading EMS organizations and to support the development of the next generation of EMS practitioners. We are committed to providing the highest quality training and certification programs to our members and to the EMS community as a whole.
