Victorian paramedics poised for pay rise to reflect skills needed for 'demanding' job

Victorian paramedics are poised to receive pay rises of between 12 and 28 per cent to reflect the increasingly demanding nature of their job.

The Fair Work Commission has ruled paramedics deserve a pay rise to reflect changes in their training and duties over the past decade.

"Paramedics are not taxi drivers, they are clinical professionals. That was not recognised in their pre-existing wage rates."

@ukrobl

BSc (Hons) Paramedic Sciences

EMS Transformation SUMMIT HOSTED BY NAEMT
