

NATIONAL ASSOCIATION OF EMERGENCY MEDICAL TECHNICIANS

CORPORATE PARTNER PROGRAM

Partner With A Recognized EMS Leader

As the leading organization in emergency and mobile healthcare, NAEMT's membership is inclusive of all delivery models and has a global reach of more than 100,000 professionals. We are at the forefront of national discussions and initiatives that have significant impact on the EMS profession. Most importantly, we foster the critical elements that ensure an integrated role for EMS in our nation's changing healthcare system by supporting innovation, education and advocacy.

Partner with us to prepare the EMS industry for the future.

BENEFITS OF PARTNERSHIP

Broad and Inclusive Reach / NAEMT Brand Recognition

NAEMT offers its corporate partners expanded reach to more than 100,000 EMS professionals across all delivery models and geographic regions, including a large global audience. NAEMT provides access to the most vested EMS professionals in the nation, and around the world.

Reach Educators and Students / Reputation for Education Excellence

Partner with NAEMT to promote products and services to the largest global pool of EMS educators and students. NAEMT's reputation for innovative education programs has earned a loyal following for the best evidence-based education available. NAEMT courses are accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS) and recognized by the National Registry of EMTs (NREMT).

Connect with Leaders Who are Driving the Future of EMS / Insight into Emerging Trends

NAEMT brings together industry leaders to address the daily challenges of providing emergency medical services and quality patient care. We focus on the modernization and innovation of the EMS industry. NAEMT can offer corporate partners insight into emerging trends in EMS, and the opportunity for collaboration and partnership to educate the industry, the greater healthcare system, elected officials and the public.
