

OPPORTUNITIES TO ADVANCE EMS

NAEMT Scholarship Program

Help advance the training and development of NAEMT members — our nation's EMS workforce. Includes your logo and listing on the scholarships webpage, and recognition of corporate partnership in *NAEMT News* and *NAEMT Pulse* when scholarship recipients are announced.

Cost: \$1,000 per scholarship

Educational Webinar

Share the latest research through NAEMT via a live webinar. NAEMT will host your webinar, market it through an announcement in the *NAEMT Pulse* and on NAEMT social media sites. Presentation will be posted on NAEMT's Corporate Partners Product Update page following webinar. Only one webinar per month will be offered.

Cost: \$5,000 per webinar

Interested in offering CECBEMS continuing education credit with the webinar? Contact corporatepartners@naemt.org for pricing.

NAEMT Individual and Agency Member Benefits

NAEMT offers prospective corporate partners an array of opportunities to support NAEMT Individual and Agency Members and gain exposure for their products and services to the EMS market. NAEMT considers proposals to promote products and services based on the offer of significant discounted rates on goods and services to NAEMT members. To propose a discount, contact corporatepartners@naemt.org.

Program and Service Development

NAEMT continually develops or enhances the programs and services we provide on issues such as Mobile Integrated Healthcare and Community Paramedicine (MIH-CP), EMS data and technology, tactical trauma care, geriatric EMS, critical care EMS, EMS preparedness and EMS health and safety. This is an excellent opportunity to gain presence in new or difficult to reach markets! To recommend a supporting program, contact corporatepartners@naemt.org.

Educational Report Publication

NAEMT conducts research on a wide variety of topic areas, the results of which are published in reports for distribution to EMS and wider healthcare industries, elected officials, and to the public. Support the publication of an NAEMT educational report, distributed digitally to over 100,000 recipients, to enhance EMS, and positively affect the delivery of patient care. To learn more about upcoming research initiatives and opportunities to support a report, contact corporatepartners@naemt.org.

Benefits include: Your logo on the front cover and a full page ad in the report.

Cost: \$5,000 per report

Investment of opportunities that total \$1K or more will be recognized as an NAEMT Corporate Partner for twelve (12) months. See [NAEMT Corporate Partner Brochure](#) to learn more.
