At least 48 hours prior to the webinar, current EMS Safety Instructors can sign up for the Instructor Update that best meets their schedule by following these steps:

1. Choose the course above that best meets your schedule. The course information will be used when you sign up for the course.
2. Go to: <https://www.naemt.org/education/SignUpForACourse.aspx>
3. Click on the "Sign Up for a Course" button.
 - a) When prompted, enter course number for the course you wish to sign up for.
 - b) Click on the "Confirm Course" button and ensure the course information displayed is correct.
 - c) If so, click the "Sign Up for Course" button. If not, re-enter the course number and click the "Confirm Course" button.
4. Complete the student information form and click the "Submit" button.

The duration of the webinar is approximately 2 hours. Two days prior to the Update, you will receive an email with instructions on joining the webinar. During the webinar, you will need phone and computer access. If you have any questions, please contact the NAEMT at education@naemt.org or 1-800-346-2368.
