NAEMT appreciates the ongoing commitment and dedication of these members to the EMS profession and the patients we serve. View the bios of the 2017 NAEMT Board members [here](#).

### About NAEMT

Formed in 1975 and more than 55,000 members strong, the National Association of Emergency Medical Technicians (NAEMT) is the only national association representing the professional interests of all emergency and mobile healthcare practitioners, including emergency medical technicians, advanced emergency medical technicians, emergency medical responders, paramedics, advanced practice paramedics, critical care paramedics, flight paramedics, community paramedics, and mobile integrated healthcare practitioners. NAEMT members work in all sectors of EMS, including government agencies, fire departments, hospital-based ambulance services, private companies, industrial and special operations settings, and in the military.
