To Whom It May Concern:

I am honored to write this letter of recommendation on behalf of Sean Davenport for the position of NAEMT Board Member. I have had the privilege of working closely with Sean in our EMS career paths and in our involvement with NAEMT for many years. I can confidently attest to his professionalism and leadership.

During our time working together, I observed Sean demonstrate strong leadership skills, outstanding mentoring abilities and a strong commitment to professional growth as an Instructor/Affiliate Faculty for NAEMT. Sean also served as the NAEMT KY Advocacy Coordinator until his departure for new employment. Sean currently plays an active role in NAEMT in his new position as Clinical Manager for Pinellas County Safety and Emergency Services.

I am confident Sean's dedication, professionalism and commitment to advancing prehospital care to the highest standards will make an excellent addition to the NAEMT board.

Sincerely,
Marsha Frontz AS, NRP, Advanced Practice Paramedic
