Dear Election Committee Members,

I have had the pleasure of knowing Troy Tuke since 2017 when he first visited South Carolina as speaker at our annual conference and a representative of NAEMT. Troy was instrumental in engaging with the South Carolina EMS Association (SCEMSA) and helped foster our ongoing relationship with the National Association of EMTs (NAEMT) that still flourishes today.

I have supported Troy in his bid for Secretary of the NAEMT in previous elections and now fully support his candidacy for President Elect. Troy is a staple of leadership on the NAEMT Board of Directors and is well respected and trusted among internal and external stakeholders. I believe that his patience and historical knowledge of the organization will help him in the role of President in years to come and that he will continue to grow the NAEMT.

It is with in mind that I fully endorse and recommend Troy Tuke for President Elect of the National Association of EMTs.

Thank you in advance for your time and consideration. As always, please feel free to contact me directly if I can be further assistance.

Respectfully,
