Dear Election Committee Members,

Please accept this letter of support for David Blevins for the position of the National Association of EMTs (NAEMT) Southeast Coast Regional Director. I've had the privilege of getting to know David over the course of his first term in this position and can attest that he embodies the mission of advancing the profession.

David has become an active member in the South Carolina EMS Association (SCEMSA) during his tenure as a board member for the NAEMT. He participates in virtual meetings and committees and provides valuable contributions to our organization. He has travelled to South Carolina and attended larger events and always represents himself and the NAEMT with highest level of professionalism. David actively works to collaborate with the states that fall within his region and beyond. Lastly, he promotes the profession through his social media platforms and always brings a message of positivity.

It is with this in mind that I fully support David Blevins for re-election to the NAEMT board of directors as the Southeast Coast Regional Director. I am confident that he will continue be a leader and advocate for EMS and an ambassador for the NAEMT.

Thank you in advance for your time and consideration. As always, please feel free to contact me directly if I can be further assistance.

Respectfully,
