[American Paramedic Association \(americanparamedics.org\)](http://americanparamedics.org)

National Association of Emergency Medical Technicians (NAEMT)

Member Number: 484167

June 2016 – Present

- Current member of the Military Relations Council

This Council shall serve as a forum to sustain and strengthen relationships between civilian EMS and the U.S. armed services. Activities will include:

Serving as a bridge between military and civilian EMS.

Providing information to the U.S. Department of Defense and each of the branches of the U.S. Armed Services about civilian EMS, and the benefits NAEMT can provide military medics and the U.S. Armed Services.

Identifying ways NAEMT can educate civilian EMS services, state EMS offices, the federal government and congressional elected officials about military medic and their roles, responsibilities, training, and transition issues.

Identifying ways NAEMT can increase the number of NAEMT members from the military.
