

For Benjamin Proctor – Candidate for NAEMT Midwest Region 6 Director

It is my honor to submit this letter of support for Benjamin Proctor in his candidacy for NAEMT Midwest Region 6 Director. My name is John Woody, NAEMT Member # [REDACTED], and I have had the privilege of knowing Benjamin for over a decade.

I first met Benjamin while he was assigned to the Fort Campbell, Kentucky Medical Simulation Training Center (MSTC). At that time, he was a junior Combat Medic eager to learn and contribute. Over the years, I have witnessed his impressive professional growth into an Advanced Practice Paramedic and a respected leader in our field.

Benjamin has consistently demonstrated exceptional dedication to prehospital medicine. His passion for advancing the profession, supporting his peers, and improving patient care is evident in every role he has undertaken. He brings energy, integrity, and vision to every project, and I have no doubt that he will bring these same qualities to the NAEMT leadership team.

I am confident that Benjamin's experience, character, and commitment to both civilian EMS and military medicine uniquely qualify him to represent the members of Region 6. I strongly endorse his candidacy and encourage you to support him as the next Midwest Region 6 Director.

Respectfully,

John Woody
