EMS Staffing Projects

Initiative to develop a national guidance document on minimum staffing of EMS personnel for different types of 9-1-1 medical calls and scheduled interfacility transports.

National Registry of
Emergency Medical Technicians®
The Nation's One Certification

13

Comments and Positions

14

Protecting EMS Practitioners

Comment on the need to establish Personal Protective Technology Centers of Excellence to conduct research and identify practice gaps.

15

Advocating for EMS Funding

- Signed joint letter to Congressional leaders requesting additional funding for ground ambulance services and an extension on the 2% sequestration cut moratorium on Medicare providers and suppliers.
- Requested an extension until end of 2022 a moratorium on the 1% sequestration cut to Medicare providers and suppliers scheduled to take effect on July 1.

16

Addressing Crisis-Level EMS Shortages

We issued a Statement requesting urgent attention to the crisis-level shortages of EMS personnel in preparation for a hearing by the Senate Subcommittee on Employment and Workplace Safety.

17

Certification of U.S. Military Medics

New position calls for U.S. Department of Defense to implement a program to ensure that all military medics, Corpsmen, Special Operations medical providers and military EMS/Fire service providers maintain a certification through the National Registry of EMTs.

18

Statement with 13 national and international associations on Lights and Siren Vehicle Operations on EMS Responses

Comment to the HHS ASPR on the National Health Security Strategy for 2023-2026

Joint letter to Congress recommending funding in 2023 of \$20 million for the SIREN/Rural EMS Training and Equipment Assistance program

We Continue To Advocate!

19

EMSC Funding & EMS Mental Health

- Sent joint letter to leaders of the Subcommittee on Labor, Health and Human Services, Education and Related Agencies requesting \$28 million in funding for the EMS for Children program at the Health Resources and Services Administration.
- Sent letter to U.S. Senate and House leaders requesting Congress to bring the Post-Disaster Mental Health Response Act up for a vote as soon as possible.

20

Addressing the Ambulance Shortage

- Joint letter to the Department of Transportation sharing concerns over the crisis-level availability of ambulance chassis which impact the delivery of all ambulance services nationwide.

21

Other Advocacy Efforts...

- Comment on NREMT22-Resolution regarding paramedic program accreditation
- Updated NAEMT position statement on paramedic program accreditation
- Public statement to NHTSA to request funding and rulemaking in the National Roadway Safety Strategy
- Represent EMS practitioners on the Medical Preparedness Forum and the TBI Forum of the National Academies of Science, Engineering and Medicine

22

National Survey on EMS Utilization of CMS Waivers During COVID-19

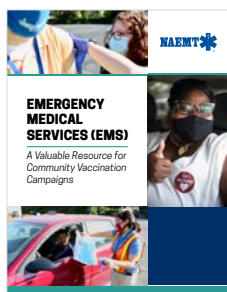

23

EMS Training for OB Emergencies

24

EMS: A Valuable Resource for Community Vaccination Campaigns

25

2022 Virtual EMS On The Hill Day

- Largest Hill Day event to-date with 241 meetings held with U.S. Senators, Representatives and their staff to discuss key EMS issues
- 312 registrants from 49 states, the District of Columbia and Puerto Rico
- April 4-8, 2022

Plan to attend the 2023 EMS On The Hill Day
March 30, 2023
(briefing March 29)

26

47th Annual National EMS Week

#EMSweek

27

Lighthouse Leadership Program

- New mentorship program for EMS practitioners
- Participants selected annually and matched with EMS leaders who possess the specific knowledge and experience to guide mentees in developing a personal career strategy
- First class of mentees will complete their program next September
- Selection for next class in early 2023

28

Strategies to Help EMS Workforce

- Conducted a national survey on EMS personnel perspectives on workforce engagement and satisfaction. In process of preparing a national report on the survey results to be shared with our members and EMS employers by the end of the year
- Explore how NAEMT might identify and recognize mental health providers who specialize in caring for EMS personnel

48

As the NAEMT President

- Leadership continuity is valued and embraced at NAEMT:
 - Continue to support initiatives
 - Continue publications

49

Priorities for the Future

- A new mobile app to:
 - Alert members to advocacy opportunities
 - Easily access member benefits
 - Notify members to renew membership
 - Notify members of special benefit opportunities
 - Notify members when a course is being held at a nearby location
- Monthly NAEMT podcasts from board members, medical directors, and other subject matter experts on NAEMT initiatives and key EMS events, trends and news on a national level.

50

Continuing to Work for the Profession

- Mental health
- Advocacy
- Engagement and support

70

NAEMT EMS PAC

To Strengthen and Advance EMS

Key component to NAEMT's three-pronged advocacy strategy of:

- Grassroots member advocacy
- NAEMT's professional lobbyists, who effectively advocate for us in Washington, DC
- Contributions to candidates for federal elective office to help elect or re-elect those who are friends of our profession and the patients we serve
